Dear Parents, Guardians, and Children,

Welcome to The Gathering Place! This is a ministry solely owned and operated by Bozeman United Methodist Church. Our mission is to provide a place for all to learn, be actively nurtured, and support both children and families. We have a strong focus on justice with the most vulnerable in our community. Bozeman UMC believes all children are the beloved of God, made in God's image and of sacred worth. We believe all should be free to experience the joy and wonder of the world in a safe and supportive environment.

Thank you for choosing us to care for and be part of your child's development journey. We believe child care and development is a significant challenge in the Bozeman community, especially as the county only has the capacity to care for 33% of the children in the valley.

While the Gathering Place does not have a religious aspect, please know the pastors are available to listen, pray, and journey with you as you celebrate and grieve the role of parenting.

Blessings,
