Gathering Place Parents,

The leadership of Bozeman United Methodist Church has decided to temporarily close the facility for the next 10 days, March 17th -March 27th. This matches the request by the Governor for our school systems and is in alignment with our Early Head Start partner. It further mirrors the recommendations of our denomination and the CDC.

CLC Director, Katie Estes, will be in touch routinely and upon notice of the return of care for your child. We will continue to monitor decisions by our local school systems and partners for updates.

I fully recognize this will create hardships and difficulties in your life. Included in this letter is information to help you with activity resources, food resources, and mental health resources. If the church can help in any way, please let me know at 333-1856.

### Activity Resources:
